“ *It still hasn't sunk in the fact that Pat is no longer here...smiling with us, sharing the holidays with us and bringing warmth and joy to whomever she interacted with. Pat was not my "blood relative" but she was very much like an aunt to me. I miss her already. I hope Nelson, Aunt Mike, my cousins and all who knew and loved Pat will be comforted by the memories of the beautiful person that she was.*

Rest in peace, Pat. You are no longer in pain but with the "One" who made you. You are in my thoughts and prayers.

Love, Allie
