

## Patricia Anne Fogarty Messina

July 12, 1954 - June 16, 2023

Our family is heartbroken to announce the passing of our precious mother Patricia Anne Fogarty on June 16, 2023. She was born in Long Island NY on July 12, 1954. Patricia is preceded in death by her parents Martin J. Fogarty and Anne T. Fogarty, brothers Martin and Philip Fogarty. She is survived by her three daughters Patty, Tarrie and Anne, son in-law Miles, three grandchildren Aaron, Chase and Sawyer. Patricia was a devoted and loving mother and grandmother. Patricia loved everything beauty and fashion. She was a talented artist and enjoyed designing fashions. She expressed her love of fashion, dressing her daughters in the finest well-put together outfits we were known for as children. Through the years she would crochet beautiful blankets and throws. She spent time knitting hats, scarves, socks and gloves for her girls and family members. She would also express her creative mind in years of writing poetry, songs

and jingles. She was a lover of music, concerts and Park musicals all around town. She had every holiday spirit and could watch Christmas movies and listen to Christmas music all year long. There was never a holiday spent undecorated. Every holiday and birthday were made so very special with her every effort and unconditional love. We all selfishly wish we had more time with her here on earth, but we know she is at peace watching over us. "Some people only walk this earth for a short time. Their departure reminds us that angels are watching over us. Our mother, Patricia Anne Fogarty rejoined her heavenly family and gained her wings. We love you so very much, until we meet again in heaven.
