Pat, I am just hearing of your passing today. What a terrible loss this is for your adoring family and everyone else that had the absolute pleasure of meeting and knowing you. You were truly an EXCEPTIONAL person, wonderful father, grandfather, uncle, son brother and friend, You will be so deeply missed. I know you are in Mary's loving arms as she must have missed you so. You will be sorely missed here. REST IN PEACE how well deserved it is after working so hard your entire life. Thank you for being such a kind friend to me.

“ My brother Paddy worked very hard . I lived next door to Paddy His Waterproofing business was very important to him & he had a great relationship with his customers. When we had a storm I would hear paddy leaving in the middle of the night. When Bob & I had a problem in the house we always knew we could call Paddy! We will miss him so much he was wonderful family man. RIP
