“ *I am with you in heart and soul, Beatrice, as Pat now with Din and Tom in heaven. Your three big brothers watching over you. It was always so much fun being with your family when we were kids. You know how my grandmother and mother adored you all. As godchild, Pat surely Nanny's favorite!*

*Such a wonderful video of Pat and a solace for me to know you are surrounded by such a beautiful family. Maggie and I wish we could have been there with you. Technology fails, but love endures.*

*With love and prayers,*

*Pepper*
