“ *I am incredibly saddened by Paul's passing. Paul was a special part of my life. He was a friend and someone whom I greatly admired. I have thought often of our childhood together and, over the years, I have shared so many stories from little league, junior high and high school. He was a gifted athlete with great charisma and kindness. I am certain that Paul is resting in peace.*

“ *From Park Ave school days no one wanted to get hit with your wicked dodge ball, and have a welt for a week, and to many crazy fun times I will never forget. You hung in there tough right to the end, until we meet again, your bud Ratso.*
