“ I would like to thank Uncle Paul for taking such good care of my mother over the last 8 years. As her uncle and godfather, he took his job very seriously. I really appreciate him visiting my family once a month, cooking and playing games together.

I'm also grateful that we got to have our own time together when he and his son visited me in Paris and stayed with me in my little apartment for 5 days...Paul and Paul sharing the sofa bed! It was fun sightseeing in the Catacombs, drinking cocktails and dancing in a speakeasy and sharing many marvellous meals in beautiful restaurants.

I also found Uncle Paul to be a very strong example of how to live your life to the full. He is inspiring with learning piano in his old age, weightlifting at the gym and travelling, making sure to have regular visits with his brothers even though they are so far away. I love his positivity, his warm heart and his propensity to break into song at any moment.

*Thank you for being in my life. I miss you already and I wish I could have been around in America for more of those pinochle games.

“ Uncle Paul was a wonderful Uncle, Great Uncle to my children, Godfather to me and friend to all of us. I remember being the Flower girl at Uncle Paul and Aunt Norma's wedding, dancing the Charleston and kicking my shoe across the dance floor, and Uncle Paul dancing with me at my wedding. We will remember the many lively pinochle games, cooking together in my kitchen, the picnic at Washington Rock Park (Uncle Paul brought the picnic). He fed me my first meal when I was taken off the ventilator in 2009, came to visit me in rehab, gave me an angel collection through the last 7 years that I will treasure always. We are looking forward to seeing him in Heaven and playing many heavenly games of pinochle.
