“ *Pete and i were very close for some years we were ...well... at memorial Jr. high... best friends... Pete was a very warm and caring, funny, and just plain cool cat.... just saw this... we're all goin' down the trail ... all our ponies and companions.... new and old ... we first smoked pot together ... listening to the first Crosby stills and Nash record.... the Doors... at his house ... always having girls around and big smiles... walkin' down the street singin' Frank Sinatra songs which we loved and new all by heart... “ My deepest condolences to the entire Sposato family...I have such fond memories of Pete growing up in the same neighborhood and sharing so many good times at my parents house. He was such a good friend to me for many years with such a kind heart and a smile that would light up the room. I remember his bike and how I asked if he could give me a ride on it and he did. I lost contact when I moved away but often thought about him and asked if anyone knew where he was. This is a great loss to all. Rest in peace my dear friend, may God give your family the comfort needed knowing how many lives you have touched with your smile and your heart...God's speed

“ I have many good memories of Pete from Jr high, high school and after. Pete pulled my best man, John Grillo, out from underneath a burning motorcycle on NY Avenue, near Friendly's, in the 70's. He saved John's life. Pete was a hero. Thanks Pete. I wont ever forget you. My condolences to Pete's family and all of his friends. - Rich Towne - Port St Lucie, Fl
