“ *Phil was my father's best friend growing up in NYC, and they stayed close the whole way, eating lunch together nearly every workday at Larre's along with Pierre and Al, who worked with Phil at Cartiers. A spirited group! My dad was best man at Phil's wedding to Stella (who shined brightly but all too briefly), as well when Phil married Helen.*

When we were kids the whole family would head out to visit Phil's parents, the wonderful Mimi & Pepe, on their farm in Northport.

Years down the road there was Mattituck, which was always a pleasure as well - ?you namath I gotath.? Great times indeed.

Phil was a charming, generous, and wonderful man. I am grateful for the time we spent together, blessed to have had him as my godfather (he always made Christmas so special), and honored to be named after him. Godspeed, Phil ? see you soon.

“ I am very sorry to hear about the loss of my Great Uncle who was my godfather.. I spend much of my youth and long summers with him in Mattituck, Long Island with my grandmother Suzanne Dobbin, his sister. Philippe did not have any children of his own however had step-children thru his marriage to Helen.

He is survived by his step-children as well as his nephews Paul Dobbin Sr. and Richard Dobbin, his godson Paul Dobbin Jr., Michael Dobbin, and Catherine Coscia.. Uncle Philippe will be deeply missed with fond memories that I will cherish forever!

With Love,

Paul Dobbin Jr.

“ Uncle Philippe was an honorable man, and dear brother to my grandmother, Suzanne Dobbin. We hold fond memories of our time with him in Mattituck. I am grateful that he lived a long and full life. My deep appreciation for Lorraine, who oversaw Philippe's care. Words are hardly enough, but thank you for your kindness.

Sincerely,

Beth Dobbin Kimbro
