“ *My sister Kara and I were both lucky enough to have Mrs. LoFaso in 4th grade at St. Annes. What wonderful memories I have of her. She truly cared about every student who walked through her classroom doors. I never had another teacher that I adored as much. I feel blessed to have known her. May she rest in peace, and may her family be comforted in knowing the wonderful effect she had on so many of her students.*

“ Mrs. LoFaso taught my brother, sister and I in the 70's and 80's. We all have fond memories of her - many of which revolve around her leading the Christmas chorus concert each year. She was a gift to all her students. On behalf of my family, I extend our condolences for your loss. She will be missed by many.

“ Frank, Peter, and Veronica: I know it's been a long time since we have been in touch, but I wanted to express my condolences on your mother's passing. I remember her when we were growing up as a very nice and very patient lady. She was always very welcoming of the guys who would hang around your house whether we were pounding a basketball in the driveway or playing a spirited game of touch football in the backyard. It's ironic that I just recently visited LI and drove past my parents' old house on Salem Ridge and your house on Renwick. It brought back some wonderful memories. We had some great times growing up in that neighborhood. I can't believe how many years have gone by. Again my condolences and my regards.

*“ Dear Veronica, Frank and Peter and family, Your Mom and I worked together for many years at St. Anne's. I have wonderful fond memories of our years of friendship. We heard so many stories about you as you were growing up. She helped us 'young teachers' as she would call us, in so many ways. She was a kind, gentle woman who could laugh at herself loving Barry Manilow, and take all the kidding we handed out. All of us are going to meet for dinner this week, and be assured, you Mom will be remembered in a special way. Love, Donna*
