“ *Reginald (Rex) H. Metcalf., Jr.*

November 27, 2022 at 05:33 PM

“ *Dear Pat:*

*I spent the weekend thinking about Rex and you and your children. I tried build upon my knowledge of the historical landmarks Rex spent his lifetime preserving, and the information he graciously educated others with.*

*During our family meeting, I sat in awe of Lattings Hundred and all the historical information you and Daniel graciously took the time to feed me.*

*It was an honor and a privilege to be able to craft and deliver a funeral tribute for a man who has dedicated his life to serving his community. Before I delivered Rex's funeral service, Michael actually spent time with me and greatly increased my knowledge of the enormous work Rex accomplished during his lifetime.*

*There really are no fitting words to describe the small snapshot I was blessed to have received, and the magnitude of your loss. I know your grief journey has just begun, but I hope I was able to validate your personal family bond with Rex, and pay tribute to his life work as a Historian and Patriot.*

*Most Sincerely,*

*April R. Simanoff, Life Tribute Specialist/Certified Funeral Celebrant*
