“ *Words cant describe the pain i have been feeling, but also the relief knowing you are in good hands with God. There are not enough thank you’s in this lifetime to express my gratitude for all you were and all you provided me with. Memories from the Ducks game, playing war at the kitchen table before the bus came, or even your unannounced corn drop offs from “the little italian man on the corner”. What a special life you lived. What a special life you helped pave the way for, for all of us. I’m forever changed by who you are and what you meant to me. Send me some signs from up there, ill even take a corny dad joke 😂.*
