“ *I want to send out my heartfelt sympathy to the Busch Family. I have never meet Bob in person, but have been honored to be on an email distribution, where is humor shined. Dave Dominic, shared a picture of Bob, and I love his smile - very contagious.*

Bob and his family have been in my prayers.

Sincerely, Peggy Walker.

“ *Dear Mrs. Busch,*

We are so sorry for your loss. Mr. Busch was a great man with such a loving smile and a wonderful gentleness about him. We always enjoyed seeing him around SJE. We are praying for you, your children, and grandchildren -- indeed for your whole family. May perpetual light shine upon him, Oh Lord, and through the mercy of God, may he rest in peace.

“ *The Hull family sends our condolences to the Busch and Dukes families. Although we knew mr Busch for years as a kind man, his recent encouragement and compassion for Ben at a time that they were both battling similar diseases will forever remain in our hearts. I know he is still cheering him on from above! We wish we could be on NY To give big hugs and celebrate his life with you! Love to you all!!!*

“ *Bob definitely was the life of a party. That came from his Mom for sure. I remember him speaking at my Sociology class when I was a senior in highschool in his FDNY uniform. He came to Joe's retirement party from VA. We'll miss you.*

“ Dearest Corinne and Family:

We received a telephone call from our son that he had a working friend whose parents were considering a retirement to Wilmington, NC. The request was "Can you introduce Mom and Dad to Wilmington?" Who knew what a blessing it would be to us to develop a friendship with this beautiful family! Although full of love and fun, our time together was much too short...we had a lot more fun to explore together.

God has a plan for Bob...with his contagious smile and unconditional love...he will be standing at the Doorway to Heaven welcoming us all to join him.

*God Bless You All

“ I'm remembering many wonderful hours I spent with Bob. A man
always ready to lend a hand at our IHS events, an infectious
enthusiast on our kayak trips, a fierce competitor on the bocce
courts, a belly-laugh comedian on our TBA email exchanges and a
true friend.

Always the gentleman with a twinkle in his eye and a smile on his
lips. Bob loved life, but mostly he loved his family and friends... and
Corinne's lasagna.

My life is better because of you. Rest well my friend.

“ *We shared our children--Kris and Kevin. We shared our grandchildren--Matthew, Emily, and Timothy. We shared happy times--a wedding, fun visits, and births of grandkids. We shared tense times as we waited for grandchildren to be born. We shoveled snow, played games, dyed Easter eggs together. We're glad we had so many wonderful times. We cherish those memories. We're grateful to have had Bob in our extended family and in our lives.*
