“ I am so sorry for your loss. May it help you and your family to know that soon death will be a thing of the past, it will be done away with, so no more pain or sorrow from losing a loved one to it for Isaiah 25:8 read: "He will swallowed up death forever...he will wipe away the tears from all faces". Yes because of God's love and knowing the pain that death brings to families, he will cause it to cease. Please find some comfort from knowing he care and will soon erase death forever, in your time of need.
