“ *Man,,, I was just thinking of Bob. I worked with him in the early 80s painting planes at Grumman and we had alot of fun. Great guy and I'm sorry I lost contact with him.*

“ *We shared a lot of things in our nearly 20 yr work journey -our love of "Good" music, so many paperbacks, rooting for the Yankees and so many road trips. How many times did I pick you up on Craig Dr. in darkness and drop you off at night also in darkness. You were a great co-worker and friend. RIP Brother !*

“ *Not only was Bob a forever brother-in-law but also a co-worker for many years. I have a million memories of shared work experiences and in every one Bob is the stand up guy. Always honest, always reliable and forthright...and fun too! And now always in my heart forever. May you rest in peace with your dear Kimmie. Love, Eloise*
