“ *He will be greatly missed by all who were touched by his friendship. We were very lucky to call him our friend. He was our poker buddy with a fantasy book of rules for our poker games, which are now gone. He played in the last American Legion golf tournament with Terry and they had a great time. He was very much our honorary member of the Calabash Lakes social committee. RIP Bob!*

“ *What do you say when you lose a Best Friend. There are no words I can say to ease the pain that the Family is going through. We grew up on Cooper Ave in Huntington Station. Everyone on the Block knew each other. The Richter Family & Calderones were very close. Mooch was there when we lost my Sister Barbara many years ago to CF, he was the first one to come over our house to comfort my Family. This is what Best Friends do, when Mooch & Jack lost their father to cancer I was there. I will think of you every day of my life in silence. God has you in his arms, but I have you in my Heart Rest in Peace my Good Friend until we meet again.*
