

## Robert A. Sebold

January 22, 1931 - January 26, 2023

On January 26, 2023 our Dad, Robert A Sebold stepped through the pearly gates of Heaven to join the Lord and our beautiful mother Lorraine, his wife of 40 years in Paradise. "Grampy" was the proud parent of seven adult children all of whom count each other as some of their favorite people to be with. They are sisters Cindy Rutigliano and Kim Troy with brothers Greg(Molly), Geoff(MaryEllen), Kevin, Glenn(Mary), and Dwayne(Christine) Sebold. The lasting legacy of love and devotion Dad had for our Mom could be seen in full at family gatherings which included many of the 17 grandchildren and 6 great grandkids. Lots of love, laughs and hugs for everyone. He was an amazing role model of what a caring and devoted husband and family man should be and that carries on through all of us today. Dad was a proud graduate of The University of Notre Dame with an Aeronautical Engineering degree and spent most of his career at Fairchild Republic in Farmingdale working on projects such as the F-105 fighter jet, Saab-Scania 340 turboprop and the famous A-10 Warthog which we often called Grampy's plane. This was also where Dad met a young Polish girl from Greenlawn that would become his wife. Their first date consisted of going to Catholic Mass (nice move dad) and the rest is family history. Grampy loved Notre Dame football (most of the time), Big Band and Jazz music, his so cool 1964 British racing green Jaguar XKE, all of his pups, the beach and his family. We will miss him greatly but know he is in a very good place right now. Thanks for everything Dad.

Your loving family.

“ My deepest condolences to the children, grandchildren and great grandchildren of Bob. I just learned of his passing. Your Dad hired me at Cardion for the Contracts Dept and I had the pleasure of working with him for 5 years until Cardion shut their doors. I remember your mother Lorraine and the love they shared was evident to all. He was so proud of his family and how they were growing. We exchanged Christmas cards for years and then about 2-3 years ago the cards stopped. I knew your grandfather lived into his nineties so I knew your Dad would do the same. You were blessed to have him as a father and for so many years. You carry his spirit within all of you. Gid bless you Bob and I am so glad you made it to heaven and ae with your beloved Lorraine.

“ To: Our brother-in-law Glenn and all the Sebold Family, The pictures shared above are so beautiful. Thank you! As we all reflect and continue to pray for the loving and beautiful soul of your dad, may you find comfort in knowing for certain the wonderful relationship he has with our heavenly father and the joy he is experiencing now to be free of life's pain and struggles. I believe both your mom and dad are beyond grateful to God for all their children. Your kindness and love you all shared will never be forgotten! You will always have a sense of awareness when they are near to you. They are forever sealed in your hearts, because that is the power of love! God Bless You Always, Love, Kathy, Rodger and all the Moore Family
