“ *Last Saturday, I found a cd of photos on my files. I had no idea what was on it. I placed the cd in my laptop and was thrilled to see photos of Robert and me up at the house in New Hampshire visiting his family. Bernie was there too. The photos capture Robert bronzed by the sun, happy, shirtless, smiling, and in an assortment of brotherly embraces. This is how I will always remember Robert. He was a dream that came true. He loved me and my boys David and Michael with patience and calm. We sort of rescued each other. These are the memories I will treasure. May his memory be for a blessing.*

“ *To the memory and the family of my dear friend, Bobby Stokes. We grew up together and grew old together. We shared so many good times as well as hard times. You have left to soon but the wonderful memories and your friendship live on. Enjoy those perfect waves and fresh powder till we meet again my friend.*

I am so sorry to hear of his passing. Though we never met, we were family.

My remembrances of Bobby are the many times he was at our family home on Chatham Place where we all grew up, walking along the boardwalk with him and my brother, Berni at Jones Beach checking out the waves, and many reunions in Vermont over the years. I'll never forget his wonderful warm smile and embrace every time we met. Our heartfelt condolences to his family. We will certainly miss him, but his memory will live on.
