“ *To my Beloved husband, you are the light of my life, my soul mate, my Hero. You loved me completely and gave me such joy. You will always live in my heart and mind and I know you will be my guiding Angel in all to come. Along with your love you gave me the gift of your amazing spirit and drive living each and everyday to your fullest despite the "speed bumps" that came our way. I am so proud to have been the lucky one to call you my husband. Thank you for sharing your life with me. I love you ❤️*
