

Roberta J. Glackin

May 6, 1933 - June 10, 2024

Roberta Josita (Bushey) Glackin

Born May 6, 1933, the 5th and last child of Alma (Perry) and Raymond

Bushey of Bay Ridge,

Brooklyn. She died peacefully at her home on June 10, 2024. Bobby's last years were very

tough, but she continued to laugh and love us all to the end.

Bobby married Edward J. Glackin Jr. (d.2001) on June 26, 1954 at St. Patrick Church in

Huntington, NY. Bobby and Ed filled their home on Sydney Road in Huntington Bay with their

ten children and a whole community of friends and neighbors. Bobby began summering in this

house as a young child with her siblings and parents. Bobby's vitality and hospitality made this

into an extraordinary home.

Dynamic and generous only begins to shed light on the life lived and shared by Bobby (Roberta)

Glackin. If you have ever had a dinner prepared by Bobby, attended a fabulous party given by

her, stayed at her ski house in North Creek, were given a ride by her, learned to cook just being

around her, learned the right way to clean anything (her way is usually the right way), relaxed at the Sydney Road house or think of anything she or her 10 children, their spouses or her grandchildren have ever done for you, then you have a sense of the immense generosity of Bobby. If you haven't been touched by her and Ed's giving spirits, you likely will or know someone who has, just ask. If we can live our lives with a fraction of her love and generosity, we are living beautiful lives.

Bobby inspires her grateful and loving family:

“ *Mrs. Glackin was a blessing to all of us who grew up at Nathan Hale Beach Club.*

“ *The first time I met Mrs. Glackin, as I always called her, was probably 60 years ago. We were new members of Nathan Hale beach club and I was introduced to her by Colette, who was also 8 or 9, while her mother was folding linens in the upstairs closet, a rather large space for a large family, full of sheets, towels, pillow cases. She was immediately friendly and acted as if I had been around for years. Her spirit can be found on Sydney Road decades later.*

“ *The North Creek House had an INCREDIBLE Christmas tree, as only expected in the Adirondacks. The tree had stained glass sugar cookies that the family made. Absolutely magnificent. I will try to reproduce them, hopefully successfully after speaking to some of her children about the dos and don'ts of the process after her funeral.*

Aunt Bobby outfitted her nephew with skis, my boyfriend at the time, Jonathon Bushey, I was amused at how the household was organized with the skis lined up on the inside porch.

Uncle Ed shuttling the children and always hanging about at the ski lodge for any situation the children might have gotten into.

*Aunt Bobby was always welcoming, jovial and caring!
We are thankful that you left behind loving children to carry on your essence.*
