“ *Dearest Roberto what can I say I owe so much to you, I grew up with you. I grew to adore you, love you and care for you in all your silly ways. And when time separated us all I always thought of you, drew a smile to my face to remember all of the funny things you may have said or done. I am so grateful to have been able to see you again after so many years and remember the friendship we had so long ago. You will forever be in my heart and prayers. May you forever rest peacefully my dear friend.*
