“ So sad to hear of Rodney passing. It's been a while since seeing him, he was friends with my brother Artie and I. Such a great heart and good friend. God bless!

“ So many wonderful memories with Rodney. He had the special gift of making everyone feel special, and always greeted everyone with a big broad smile. A man that adorned his daughter, and a mush were animals were concerned. He always brought many items needed for animal shelters with the words" I went a little overboard but when I think of those poor animals I bought some more things". It was an honor to have shared part of our journey on this earth plane with him.No doubt the Norse God Odin was there to help him on his journey to meet his family.
Now out of pain they are rejoicing and watching over JuliaMaria .
Our deepest sympathy , prayers, and healing to the family in their time of grief.

“ So sorry to hear about Rodney's passing. He was a neighbor and my brother Paul's best friend.He had such a wonderful smile . The happiest I remember him was when his daughter was born. He certainly was a proud and devoted father. Juliamaria surely was the apple of his eyes!! I was so happy to see him so happy. .
My prayers go out to his family especially Juliamaria.
Rest in peace Rodney :(

“ WOW! Such sad news to hear about Rodney's passing. Rodney was like family to us Breslins, growing up in back of our house. He was always at our house being best buddies with Paulie. He was a good soul. I remember him in his diapers and drinking his bottles. He would come over and swim in our pool and I remember going in his tree fort. Every time I would see him we reminisced about my mom, how much he loved her and how she would always have a song for him when he came in (she always had a special place in her heart for him) or we'd talk about just growing up. He was so much a part of all of our lives growing up. He always talked about his little girl Julia Maria. He had such a sparkle in his eye and bursting with love when talking about her. I was so happy for him. I told him that he deserved such happiness because he was a good person. My prayers are with his family ESPECIALLY his daughter during this extremely difficult time. You're all in my prayers . R.I.P Rodney :(Love, Jeanne

So sorry to hear about Rodney's passing. He was a neighbor and my brother Paul's best friend. He had a wonderful smile but the happiest I remember him is when his daughter was born. He certainly was a proud and very devoted father. Juliamaire surely was the apple of this eye. I was so happy to see him so happy. My prayers go to his family and especially for Juliamaire.
Rest in peace Rodney
