“ *Roland W. Page, Jr.*

November 27, 2022 at 05:33 PM

“ *Roland was one of my best friends in junior and senior high school in Tampa. A lot of great memories when we camped out at the winter quarters on Van Dyke road or worked on our cars at 16. Sadly, I had not seen him since 1972 when we graduated and I left Tampa for college. I had thought about him over the years and wondered how he was, and in 2005 I saw where his father had passed away. I should have contacted him then, and sorry now I did not. So sorry for your loss.*

KH

“ *Loved Roland Jr. from my earliest memory. He took the training wheels off my bicycle and didn't tell me until I was flying down a hill. He stood off in the distance waving my training wheels causing me to crash when I realized what he'd done...I haven't seen him but once since his daddy died and it makes me sad how life is so busy and time slips away ... Love to Debbie and Christian and Amber. Praying for comfort in the days to come...*
