“ *I remember Mr Scudder when I was younger and he was the Scout Master for district 13 Silas Wood. I was a Cub Scout back then, early 70s and we would have a camp fire when all the kids earned their badges and such. It was at Silas Wood school's clearing and the fire used to start by itself!*

Mr Scudder had things up his sleeve to let us believe we were special! Thanku for that. And the last time I saw him I was working in northport bay and he was the Harbor Master for Ashroken and asked to see my clamming license and he remembered me. Small world. What I remember most is that he was a Good Dad and a Good person. Rest Peacefully Rest Mr. Scudder. Thanks for the memories.
