“ *Robert and family,*

I'm Vini's neice, and just wanted to express my sympathy. My kids and I got to know your Mom since she became roommates with my Aunt. She always spoke very proudly of you and your wife and daughter. She was very kind to me and my children and became like another Aunt to us. She was also a very good friend to my Aunt Vini, who really misses her. My prayers are with you and your family.
