“ Weep Not For Me

*Weep not for me though I am gone  
Into that gentle night*

*Grieve if you will, but not for long  
Upon my soul's sweet flight*

*I am at peace, my soul's at rest  
There is no need for tears.*

*For with your love I was so blessed  
For all those many years.*

*There is no pain, I suffer not,  
The fear now all is gone.*

*Put now these things out of your thoughts  
In your memory I live on.*

*Remember not my fight for breath  
Remember not the strife*

*Please do not dwell upon my death,  
But celebrate my life*

*Constance Jenkins*

“ Dear Mom,

*Your life wasn't easy. You went through a lot. But you were always a strong, kind and courageous person. I'm so grateful for the way I was raised. You were always at our side through all the good and bad that life has to offer. And I have so many wonderful memories of us that will live on forever. I couldn't have asked for anything more. You were a great grandmother and nonna to all your nieces and nephews. I know that you are still with me and I will always love and miss you. I wish you could have been with us a little longer but the suffering had to end.*

*Until we meet again, may Jesus bless you and give you his peace that you greatly deserve. And may you hear God say to you "well done, good and faithful servant". Goodbye for now but not forever. I will always keep you in my prayers and your memory alive in my heart.*

*Your loving son,*

*Michael*

“ *Dear Nonna,  
We will miss you so much! I'm so glad we were able to make so many beautiful memories. All the sleepovers with the cousins, all the laughs, and all your good cooking, especially the gnocchi. God saw you suffering and He wanted to take you home. Our memories with you will live on forever. Thank you for being the best grandma. It's not a goodbye, it's a see you later. I love you and rest in paradise* 🕊️✝️

“ This is one of my favorite poems, it gives me comfort to know that Mom is in heaven: “Safely Home”  
I am home in Heaven, dear ones;  
Oh, so happy and so bright!  
There is perfect joy and beauty  
In this everlasting light.

All the pain and grief is over,  
Every restless tossing passed;  
I am now at peace forever,  
Safely home in Heaven at last.

Did you wonder I so calmly  
Trode the valley of shade?  
Oh! But Jesus' love illumined  
Every dark and fearful glade.

And He came Himself to meet me  
In that way so hard to tread;  
And with Jesus' arm to lean on,  
Could I have one doubt or dread?

Then you must not grieve so sorely,  
For I love you dearly still;  
Try to look beyond earth's shadows,  
Pray to trust our Father's will.

There is work still waiting for you,  
So you must not idly stand;  
Do it now, while life remaineth —  
You shall rest in Jesus' land.

When that work is all completed,  
He will gently call you home;  
Oh, the rapture of that meeting,  
Oh, the joy to see you come!

“ *Dear Mom,  
I will miss you very much. Our family will not be the same without you. You were an amazing person that would do anything for your family. You suffered for many years but now you are in a better place with Dad and all your relatives. You will always be in my thoughts and I will pray for you every day until we meet again.

“ I miss you so much mom. Not a day goes by that you are not missed. I thought it might get easier as time went by, but it does not. I do not know how to come to terms with reality, but I know that you, for sure, are the best mother a son could ask for in so many ways. You were always an inspiring soul, always there for all who came to you with their troubles. I'm relieved that your suffer is over and that you are in Heaven with God, Jesus, Dad, your parents, brother, sister and all your loved ones. Please continue to look over us as you did in life. I have many beautiful memories of you to keep me going until we meet again. I miss you and love you forever. Rest in Peace Mom.

*If Roses Grow in Heaven By Dolores M. Garcia:*

*If roses grow in heaven, Lord, please pick a bunch for me, Place them in my Mother's arms and tell her they're from me. Tell her I love her and miss her, and when she turns to smile, place a kiss upon her cheek and hold her for a while. Because remembering her is easy, I do it every day, but there's an ache within my heart that will never go away.*
