“ I am sending my love to the Zahn family for the loss of one of the sweetest, most caring women I have ever known. She was the kindest neighbor to my family, and I enjoyed visiting her when I'd come home from college, post grad school, and visiting my mom (who still lived next door). She joyfully embraced my children, and loved meeting them. I know she and Rudolph are holding hands in Heaven, and she's probably cooking! She will be missed but will always be remembered by me.
