“ I'd like to express my condolences to the family of Mr. Mirro. Losing someone we love is a deep cut, a wound that only God may help to heal. While we weep and we miss those who have left us behind; may you look forward to the future with hope. God promises to be with us, to bind up the broken hearted to help us get through such times-Isaiah 41:10. He has also shared with us in his word his grand promise for the future, to make the resurrection hope a reality. As we await the fulfillment, may we keep our faith and hope alive in his promise for he shall never fail us. My thoughts are with your family during this most distressing time.

“ I am so sorry to hear of Uncle Roy's passing. Only solace is that he is no longer in pain and reunited with his brother and parents.
