“ *Ellie & I shared so many memories since we were friends from Church back in the earlier 1980's. We spent many nights at her place, having a glass of red wine talking about our lives & reminiscing of all our experiences through the years & always laughing (her special trait). We had the type a friendship that withstood time and distance; a friendship that was special like Elaine herself. She was a loving friend a kind soul who was always helping others in need. Ellie you will most definitely be missed. RIP*

“ *Elly and I first met in 1996 and spent a lot of wonderful time together with her friends. Elly and her friends showed me the most beautiful beaches, together we found the best lobster.*

I live in Europe, but despite the distance we never lost touch. Almost exactly a year ago, we were lucky to meet again with Elly and Michael and we spend a beautiful day together.

We are deeply saddened and can hardly believe that such a good person had to leave us so soon. The world would be a much better place if more people were like our very dear friend Ruth Ellaine ! Kind, generous, and full of warmth.

We will miss her a lot ! Our best wishes also for my dear Elliana and Michael and their families !

We think about you a lot !

“ *In Loving Memory of My Sister, Ruth*

Ruth was more than a sister — she was my confidante, my constant, and my heart’s quiet strength. I will always remember her laughter, which could light up any room, and her incredible gift for making people feel heard and loved. Whether it was a simple cup of tea at the kitchen table or one of our long walks where we talked about everything and nothing, Ruth had a way of making ordinary moments feel sacred.

She had such a generous spirit always the first to help, to comfort, or to simply be present when you needed someone. I feel incredibly blessed to have shared life with her, and I carry her kindness, her wisdom, and her love with me always.

Rest peacefully, Ruth. You are deeply missed, but your light will forever shine in our hearts.
