“ My condolences to Richie and Dodie and family in the loss of dear Ruthie. As a Caregiver for Ruth these past three years., Ruthie was a true inspiration to me. She was always upbeat., positive, and looked at the brighter side of things in life. She loved to laugh and had a great sense of humor. She would frequently talk about her upbringing in Carle Place, and how she helped her father in the greenhouse preparing chrysanthemums for sale. She would often reflect on her past trips to Germany., and recite phrases, and poems in German, at the kitchen table, where she loved to sit and look out the window. Ruthie was truly a kind and loving person in every way., and I will hold her memory close to my heart. Rest in peace, dear Ruthie.. We all loved you.❤️ Barbara McCartney

“ *Ruthie was my parent's neighbor for more than 50 years. I have very fond memories of growing up next door to Ruth and hans's house, she was always such a sweet and kind woman. My condolences and sympathy to her family at this difficult time. I'll always picture her and hans having their supper at the kitchen table and looking out the bay window over the denizens of crestwood drive! RIP ruthie xoxoxo*
