“ *sandy always had a smile on her face.....i will miss my e mail buddy.*

susanne kott - June 02, 2011 at 12:00 AM

“ *Learning of Sandy's passing has been very hard for me to accept.*

Sandy touched my life when soon after High school she met a friend of mine. We double dated often and Sandy's warmth and up beat personality always brought smiles and good times to where ever the four of us went.

I will miss you Sandy.
