“ I'm sure you can agree that I always labeled you as my angel.

Right now, I know for a fact that I have an angel who is looking down upon me smiling, guiding me through the necessary paths to conquer all of my goals.

I miss your, voice, smile, laugh and those eyes.

You will always share a place in my heart honey.

Make it easy for all of us to accept the fact that you are not here physically.

Bottom-line is I know that you are here spiritually, please help all of us take the right steps needed to make our dreams become reality.

I love you angel.

“ To my beautiful soul sister, Sasha:
15 or so years ago we met for the very first time. I'll never forget how quickly we hit it off. It was like we became best of friends in minutes of meeting each other. Since you were two years older, I thought I was the luckiest hanging by your side. You took me under your wing instantly and ever since we've been siamese twins, MeWa & MeWo. It was then it became clear to me that I couldn't be your siamese twin until I got myself some blue eyes, like my gorgeous sister...so I went out and got blue contacts which I wore up until just a few years ago. No matter how long we went without hanging out, it never mattered. We stayed closer than ever, which you had just reminded me of a few days before you passed. I'll never forget the hours and hours we spent on the phone, messaging on AIM and of course playing snood. The ski trip where "bunny" was originated and how badly we tortured Val's BF giving him the nickname, Spyder. All of the slumbers, getting caught sneaking out at 13 and 15 years old.. Coming home to your computer smashed outside your bedroom window ...we knew we were caught at that point (Sorry Val.) It was never a dull moment with you, Sash. You were the big sister I never had but always wanted growing up. I always looked up to you and wanted to be just like you. Thanks for that. Today and the days to come will just be another test in life but I know you'll be walking us all through it. I will never forget you and that infectious laugh that would make just about anyone smile, even if they really didn't want to. I will cherish our memories together forever. You will forever be my siamese twin MeWa and of course my Bunny. I love you baby girl, may you fly high in paradise ❤️ it's not goodbye, it's I'll see you later.
