“ *Sharon and me connected when I was diagnosed with Narcolepsy. I had e-mailed her with questions on obtaining help in getting my meds when I became unemployed. She directed me to Cephalon Cares Foundation. I have been able to get Provigil for the past 4 years now. I am so sorry for your loss. “ My heartfelt condolences go out to Sharon’s family and close friends. I know her laugh will be deeply missed. I met her at my first Narcolepsy Network conference back in 2003. I ended up working with Sharon at Narcolepsy Network after that. She was one of those people who knew so much, she was amazing. She taught me so much and encouraged me to go back to school to get my accounting degree. Sharon I sure will miss you and I am grateful to have been your friend! And don’t worry – I’ll get that CPA. With a heavy heart, Kathleen Randell <3

The world lost a truly selfless, champion advocate! Sharon Smith gave her all to make the world a better place for people with Narcolepsy and did it with a skill and dedication that was awe inspiring. The friends who worked along her side will miss her laugh, calm, clear, sage advise, and her apt comments that cut to the core of the matter with the precision of a well skilled surgeons scalpel.

My deepest condolences to her friends and family! Our community knew of her love and dedication to RJ, Thomas, and Bob. She wanted you to spread your wings and live your life fully and with great passion. To her extended family, we knew that she loved you deeply and cherished the regular family reunions!

Thank you so much for sharing her with us! We were truly blessed. Her memory is a blessing and know that her deeds will live on in the actions and hearts of all those that she touched and those that they touch. Please know that there were thousands and even a million that she touched through her work!
