“ *Sherry I may not have seen you recently, But back in the day we were like sisters. In High School I always felt we were sisters we spent so much time together. Your passing was a shock to me as well as others. You will always be in my heart and memories. With Love your friend Nancy Stubbolo*

“ *The bond, the love I have for my mother can never be broken nor replaced im trying to keep strong and follow in your foot steps because u were a strong woman. Though u are not here in flesh u are here in spirit I can sense u, smell u, sometimes even hear u. There is nothing more heart filling that eases me than to remember your last words to me that said "I love u" I said it back and im so glad I got the chance to tell u. my heart is broken but I will forever live in your words of wisdom mom this is not a goodbye for ever this is a vacation because all your hard work is now done we will see each other soon I love u with all of my heart now and forever*

“ Ms. Brunetta,

The news of Sherry's loss is heartbreaking. Please know that the entire Spearmon family, as well as Leonard and I are thinking of you, and that there is boundless love and prayer being offered for your family from Huntington to Florida.

Your half century with Sherry is an incredible gift from God—I know you realize that, and will always be grateful for the way she served such a wonderful purpose in your life, including the help she provided you during this time, being a good daughter and an even better friend. You have so much to be proud of in Sherry's life. And you have made me and all who know you proud, too, because we can see so much of you in Sherry's many wonderful qualities.

In this time of sorrow, mixed with gratitude for the sheer joy of Sherry's life, please know we are with you.

Love you much,

Victoria Spearmon-Motley
