“ *What great memories I have of Stan. I was a good friend of his older brother Chris. Stan worked at Foods Of All Nations in the Huntington mall. Chris and I would go to the mall and when we got to the store we would get Stan's attention and he would always give us cannoli's. We always knew when he was at work, we would look for his blue Chevelle with the super wide rear tires. He never failed to be a great brother and a good friend. He will be missed.*

Deepest sympathies to your family. Stan and I were childhood friends from 3rd grade through High School. Will never forget him.
