“ I had the absolute pleasure of getting to know Stephanie last year, having her in my Art class. She was the one I could count on to share a smile and a good laugh with me every day. Stephanie was such a huge help to me preparing for our school Art Gala. She volunteered her time every day to help put together an amazing event. I couldn't have done it without her. Stephanie was a beautiful, strong, smart young woman. She will truly be missed.

“ *Stephanie had a beautiful smile that added a ray of sunshine every am she came to school. It was such a gift to watch her blossom over the 2 years I had the pleasure of having her as a student. By Senior year, Stephanie was more confident and excited to graduate and begin the next chapter of her life at SCCC while still working pt. She said she just wanted to make her parents and family proud !! Steph loved animals but esp small animals and we often laughed as the ease at which Steph would share her day at Barry Tech taking care of small animals while seeing my expressions of fear. I will cherish the memories with Stephanie and the imprint she has left on my heart will live forever. May the Angels receive her beautiful soul and may GOD comfort her parents, siblings and all who loved her.*

“ *Stephanie was one of the kindest students I had the pleasure of working with. She had a love of animals and was such a sweet soul. She worked hard and wanted to make her family proud, in her short time I think she made so many of us proud. Stephanie was a bright light and will be missed by so many of us.*
