“ *I am so sad that Sue is no longer physically with us, but she will always be in our hearts. I am so lucky that I married her brother and got Sue as my sister in law. Sue was an amazing woman that was so caring and loving. When we would come to visit, we knew it was hard for her to get out of bed and be with us. Not only would she spend time with us, she would also cook for us. We love her pound cake. Sue came out to be with my family at the celebration of my wedding and the birth of my 2 children. I am forever grateful for all she did for us during these life changing events. We do not have family in Colorado and we were blessed that Sue took the time to be with us during these events. When God made Sue he broke the mold. We are all so blessed that Sue touched our lives. She was an amazing woman and will be deeply missed. I love you Sue!*

“ *Our deepest sympathy to Sue's family. May she rest in peace. One fond memory that I have of Sue is when she and I (Kerrin's sister) were visiting in Colorado we went out together on a shopping spree and needed to fill the gas tank up. Neither of us knew how to pump gas since we were both from the East. Luckily someone helped us. Sue was a wonderful pleasant woman who loved to cook for everyone. She is in a better place.*
