“ *So sorry for the passing of your loved one. I think he was blessed with many gifts. His biggest accomplishment was how devoted he was to his students and the generosity he had in his spirit to inspire us to be our best. I also think it was in his appreciation for small things that were miraculous he touched on the divine spirit in all of us. I will never forget how special he was and the things he shared with me.*

**Sabrina Levin** - November 24, 2013 at 02:34 PM
