“ Dear family, we are so sorry for your loss which words cannot express here. I know your pain all too well. So grateful you had so much time with such a fabulous person all these years. Hold onto the good memories always to comfort you during the difficult times ahead. She was special to me as well, I felt she was like a second mother to me.....

I will be making a memorial donation in her name to the food pantry here and to CASA for abused and neglected children.....we love you! In the peace of Jesus be comforted!
