“ We are so sad about Terri's passing, she was such a wonderful, kind and loyal friend. I had the fortunate chance to have worked with her for many years as a comrade of design, We spent many meetings and dinners together sharing all kinds of idea's and dreams....She was such a wealth of knowledge and I would often go to her for guidance and support. I will miss her laugh and the twinkle in her eyes when we would share a funny story, she was always on the same page and understood intuitively what I was trying to convey. A master of running many projects and not missing a single detail she would make sure the it was done right every time. She loved the design world and surrounded herself with interesting and creative people..... Terri always wanted to get it all in and didn't want to miss a thing, I will remember and will take with me, all of the things I learned from her. Her passion for life was like none other, she made her mark on this world and touch many many people. Terri, I will miss you, you left us way to soon, I am sorry I could not say good bye. Your spirit lives on in your beautiful daughter and loving husband, I am sure there is a lot of design work for you in Heaven, its a big place with lots of Angels all around to help you on your journey....Eileen Kathryn Boyd Cahill

“ How do you describe what your closest most dearest friend of 45 years means to you ? We have been a witness to each other's life. The good the bad and all the in between. Terri taught me many things ,but most importantly she taught me about faith in our God. She never stopped praying and trusting iin his plan for her. She said to always live life to the fullest,love with all your heart and to remember to laugh. She will be missed more than words can ever express. My heart is broken . May God bless all her family during this next chapter of our lives.  
Lots of love and hugs, take care Terri you bestest buddy Rae 🥰
