“ I always remember you laughing...We always teased each other as to who was the oldest, and of course it was me...I have good memories of the years we were all together...I'll miss you my dear brother-in-law...

“ I'll always remember BeeBee's sense of humor. A great man to have at parties and will miss having him around. He was always in good spirits and created a positive atmosphere, even when health had him down. BeeBee became a Grandfather to me and welcomed me into the family like one of his own. His great-grandsons certainly enjoyed the baseball talks or playing army and will deeply miss him. This wonderful man created a wonderful family and touched so many of us in ways not fully realized. He will never be forgotten. I will miss you BeeBee. Love?.your grandson Kurt

“ Ted was one of my favorite people and each Sunday would make sure we shared the 'Peace' with him. When he was not there, he was certainly missed as he will be now. Our deepest sympathy to Jackie, Jen and Amy.

“ I will always remember Ted in church when I sat behind him and he would say in his best "stage" whisper voice... "Oh good, here comes Rosemary Clooney." He had such a wonderful openness. What you saw was what you got. You will be missed.

“*Mr. "Pop" is what we called him by name. He was special to us not only because he was Jen and Amy's Bee Bee or Aunt Jackie's dad, but because he was part of our family. We shared many special times with Bee Bee graduations, weddings, births, christenings, birthdays and holidays. And many great times at his house by the pool. He was always there with a smile. He could always make you laugh. I loved his honesty and sincerity. May he be at peace and join his beloved wife and son.*

“ I'll always remember growing up with Bee Bee, him calling me "Frankie", summertime at the beautiful inground pool, and most importantly for being one of the nicest men I've ever had the pleasure of knowing.

“ "Uncle Ted", as I affectionately remember him, was undoubtedly one of the funniest, sweetest people I knew. He absolutely told it like it was, bless him. And he always had the best punch lines. Most of all, I will miss that booming voice of his. Love you, Unc.

“ Our Bee Bee was a like a treasure to us. He filled our lives with laughter and joy. My favorite memories will always include traps & grips, Gotcha Last, hot summer days by the pool, Sunday night dinners and of course the way he was with his great grandsons. We were all so blessed and his legacy will live on through us. I will always love you my dear Bee Bee.

“ My Dearest grandfather, or as we knew him "BeeBee". There are so many stories and so many funny memories. He was kind, loving, funny, amazing. He always told you how he felt. I love him so much as does my family. I will not say loved, because I will continue to love him forever. I pray you now have peace and rest until the day when we will all be together again in the Kingdom of GOD. I Love you BeeBee. Love Jenny, Sal, Matty
