“ *My heart is broken but your music and singing will live on. My consolation is that I got to see you and give you a kiss goodbye six hours before you left us. You are a peace now.*

“ Mom,

Frank, Taylor, Brie, and I miss you so much. Our pain is beyond words, but we take comfort in knowing you are at peace. Thank you for all of the love, laughs, and strong sense of family. As a mother myself, I pray that you go with God knowing your son is and will be sustained and surrounded by love and support for the rest of his days. I love you!
