“ *John, Mike, Chris--we loved Thespina and share the sadness that she's gone. She was one of a kind. With her training as an artist, she was a keen observer of people and we'll always cherish her insights, point of view, and sense of humor.*

“ Our hearts go out to you, John, Mike and Chris

For the memory of such a strong and spirited Lady, may you always remember her good deeds and follow them with care, so that her memory remains true in every part of your life because

Those we love don't go away

They walk beside us every day

Unseen, unheard, but always there

Still loved, still missed and very dear

There will always be a heartache, and often a silent tear.

But always a precious memory of the days when sweet Thespina was here.

If tears could make a staircase, and heartaches make a lane,

I am sure you would walk the path to heaven and bring her home again.

to hold her close within your hearts where she will always remain,

to walk with you throughout your lives until you all meet again.

God Bless and may Thespina rest in peace.

Lovingly, Sofia Lozefski and Family
