“ *Before Tom had his family he obviously loved so much, we knew and hung out with him for years. A better friend you could not have. The thought that he is gone is unbelievable. Our minds have been filled with thoughts of him and all the fun we all had way back when. Seeing his Mom and sisters at the funeral was like stepping back in time. Tom will always be with us and I hope his family takes comfort in the fact that he meant so much to so many.*

“ Dear Anne, Tom & Nicole;

We are so sorry and shocked to hear about Tom. We have fond memories of Tri-Village days. When Lyle was unhappy with his team, Tom allowed him to practice with his. He always had such a big heart, he will never be forgotten. Our thoughts and love are with you.

“ *Thomas..truly you are an angel now watching over us all here who you have left behind. May you be at peace where there is no sadness and no pain, only joy. Your smile will always bring light to those who had the pleasure of knowing and loving you. Help us now to carry on.*

Annie, TW and Nicole, know that Thomas was a great person to all that knew him, family and friend. I am so sorry that he is gone from you here on earth, but know that he will never be forgotten and that he is now heaven in a peaceful place watching over all of us.

My love and prayers to all of you for strength and courage during these days ahead.

I love you and am in constant prayer for you, and to Tom and Nicole. You have always been my kindred spirit. I think of you often and am sending you all of my love right now.

I can not say I know what you are experiencing, but it is my hope that you are feeling God's abiding love during what must be this most incredibly difficult time.
