“ *Tommy's infectious low key but subtle sense of sarcastic observations quickly let you know that he was special. Always a pleasure in the classroom. Rest easy my friend!*

“ *Tommy was one of the finest, nicest people I had the pleasure of working with at NYC\*EMS. His sense of humor was wonderful and infectious and his low-key delivery made his commentary even more enjoyable. I will miss him, as I miss all of my colleagues and friends who have passed way too soon. Rest in peace, Tom. I love you.*
