“ *Dear Gina and family - I am so sorry to hear the news of Val's passing. He is surely with the Lord. What a beautiful person Val. I came to know Val through the 20+ years of the antiques show world, exhibiting often with my Dad (Quester Gallery) in the same shows. Val was a so kind, honest, genuine, and knowledgeable. I can still remember his laughter and will always remember him in spirit.*

*I am so sorry for your loss.*

*Sincerely, Ann*

“ I worked for Mr. Jacobsen as a junior high & high school student, performing odd-jobs around the house, rental property, and shop. He was a kind, brilliant man who always impressed me with his work ethic, knowledge, and devotion to his family & his passion for his craft. He truly made a lasting impression on me.

*Mr. Jacobsen taught me the importance of doing something the right way the first time... no small lesson for a 13 year-old.*

*Along with my own father and my two grandfathers, he is one of a handful of men who had a real impact on who I am today. I am sad to hear of his passing.*

*I was told by a member of the Admissions Committee at my college that the glowing recommendation letter he wrote for me made quite an impression.*

*How strange that I felt compelled to google Mr. Jacobsen this evening after all these years, only to find that he passed away less than two weeks ago. My deepest condolences to the family. Mr. Jacobsen was truly a great man. You are all in my prayers.*
