“ *Vickey and I have been neighbors since 1972, close to 50 years. We would meet by the fence and see how the both of us was doing. For the last couple of years we hadn't been able to do that. Once awhile I would go over and talked to her and she liked that a lot. Her memory was very sharp and she would tell me stories of the neighbors back in the 50's and 60's which was very interesting. She was a great neighbor, God Bless Her.*
