“ *Walter and I were friends were friends since we were children. We were in school together and Boy Scouts to Explorers. We loved the boy scout hikes and canoe trips. One time in Explorers which is part of boy scouts we went canoeing I'm the Alligash River Wilderness area of northern Maine in 1971. Walter and I turned over in our canoe while going through white water rapids. It was scary but we loved that trip. We had many wonderful memories. Our friendship continued till his death. He attended my wedding in 1982 as well.*

“ *Hermina, I'm so very sorry for your loss. I know how much Walter meant to you. It's always wrong when a parent has to put a child to rest.*
