“ I have known Bill for over 20 years from all his years of attending physical therapy. I got to really know Bill & the great man that he was. He had a very big heart who was always willing to help anyone who was in need no matter what life was throwing at him. From him telling me about his services in the church , going to the nursing homes to administrator ashes on ash Wednesday or to celebrate one of the residents birthdays. To making his home cooked food for the squad or for the knights. We spent many hours having conversations about life & family. I will forever miss the compassionate caring loving man that Bill was. His BBQ ribs were the out of this world along with his homemade BBQ sauce that he would never give me the recipe too LOL believe me I tried for many years. I feel so lucky to have known him through all the years. God has a beautiful angel with him. Sleep In Eternal Peace I Will Forever Miss You!!
