“ *Pappa D was an awesome man. He was a surrogate father figure to most of us in Llyods Harbor and could always be counted on to stop by and make sure we were not getting into to much trouble. He was a true gentlemen and I am honored to have known him. He will truly be missed by all who have known him. My heart felt thoughts to the Denis Family. We love you all.*

“ *Bill was not only my mentor in my early years on the NBC Golf Tour, but my closest friend as well. We drove together to and from the airports, and to and from the golf courses that we patrolled together each week. Since I too was from Huntington, we shared a special kinship and it turned out that my Uncle Chuck belonged to the same boat club that Bill was so fond of. He was the first person to know that my wife Anke was pregnant with our first child. In fact, when I said I was having a "kid" he corrected me and told me a "kid" was a baby goat and that I was having a "child". He treated my wife and I like we were his own, welcomed us into his home, and invited us to Debbie's wedding. In many ways he served as my surrogate father while I was away from home, always looking out for me and making sure I never got into "too much" trouble. I will very much miss the man I (and many others) affectionately knew as "Billy D". He was one of a kind!*

My heart and prayers go out to Ellen, Billy Jr., Debbie and everyone else that is shocked and saddened by this sudden traumatic loss.

Love Always,

LJ

“ *The first time I met Bill he was sitting on a golf cart next to my future husband. I was just 18 years old and very nervous to be behind the ropes at a golf tournament. Bill went out of his way to make me feel welcome. Bill was such an important part of Larry's and my NBC family and I will always remember him fondly. My deepest condolences go out to Bill's entire family.*

“ *Dear Dennis Family,*

Bill was a true Gentleman and will be surely missed. He touched so many lives, Lloyd Harbor will not be the same without him. I can not think of a day that I was in Lloyd Harbor where Bill did not stop by and say hello. I will always remember his smile, especially after returning from a speedboat ride. I am glad that I got to know him!
