“ *Wishing strength and peace to the Dunne family and all who were blessed to know comrade, leader and life mentor, Sergeant Bill Dunne!*

I'm truly thankful to have had such an inspiring mentor and leader. Bill sacrificed anything for his fellow soldiers and provided every soldier fortunate to share time with him, "True Direction".

I have and will continue to contemplate, what would Bill do? Until we can share time again, Bill, Thank you!

*Into your hands, O Lord, we humbly entrust our brother Bill.
In this life you embraced him with your tender love;
Bill shared that Love with all of his soldiers. .
Please deliver Bill now from every evil and bid him eternal rest.*

“ I think it was 2018 when Bill invited me to stay with him, Leah, Ryan, and Philip. Bill and his family plus Oreo and Truffles made me so welcome and I came home to Ireland with a heart full of wonderful memories. Bill and I had many a heartfelt chat on his porch and I knew I had met a kindred spirit. Bill, I never did figure out how to use that coffee machine! I will miss our chats and the realisation that you are no longer at the end of my phone is truely making my heart sad. But,my friend I know that you are resting peacefully and my goodness you deserve to rest. You gave so much of yourself selflessly to help others I pray you knew how much you were loved. I will hold you in my heart and look upwards to the stars, and yes I will continue to chat to you because you are still my friend.
